OK – Who is Beth Ransel?

Here is the list that Francie MacDonald (one of our admin assistants) received from ?? at BLM this AM for BLM attendees. I gave her Jamie Harrison's contact info yesterday. Aside from you, Ruth & Ann Umphres, I don't know who these folks are and will they be on the call. I think its getting to be a lot of folks on both sides for what should be a "chat" between Agency directors.

BLM

EPA

Ruth Welch, State Director (Colorado)
Bohan, ARA

Martin Hestmark, ARA and Suzanne

Greg Shoop, Associate State Director

Sandy Stavnes, Deputy, ARA

Beth Ransel, Field Office Manager (Moab)

Steve Wharton, Unit Chief

Brent Lewis, AML Coordinator (Colorado)
Fagen, RPM

Paula Schmittdiel, RPM and Liz

Kyle Free, Mining Engineer (Colorado)

Steven Hall, Supr. Public Affairs Specialist

Cynthia Peterson, CIC

Ann Umphres, Solicitor

Richard Sisk, Attorney

Mike Rudy, Enforcement Specialist

Oh and as far as a standardized list for meetings, reviewing letters and documents – I agree. If we can pin this down for each agency, then I'll put it in a revised Site Management Strategy which is on my list of tasks to do in the near future. Call if you can. I am out of the office tomorrow – going skiing. I will be in M-Th next week and then in Silverton M-W the week of March 23rd.

Paula,

Although customization of email recipients is occasionally needed, I believe its important to have a standard cc list for BLM contacts for such activities as meetings, and reviewing letters and documents etc. Lets discuss and formalize this standard list. For the meeting next week the BLM will include Ann Umphres, Lori Armstrong, Connie Clementson and myself. Thanks
